

One-Year Limited Warranty

- The following warranty policy applies to the original purchaser of this product. If at any time during the warranty period your S.A.F.E. System fails to function properly (except for obvious abuse), HSC Development at its option will replace it with a repaired, rebuilt or new S.A.F.E. System machine.
- Please contact HSC Development at 877-694-9381 for returns. Returned products must be accompanied with a payment of \$20.00 U.S. dollars to cover return shipping and handling.
- HSC Development accepts no responsibility for items returned that have been packaged improperly for shipment. HSC Development reserves the right to make appropriate repairs and bill the customer for any repairs considered not covered by HSC Development Warranty.
